## Join the pantry at Victoria Park

Victoria Park

You can register your interest in joining The Victoria Park Pantry below. Please ensure you read the attached terms and conditions and then fill in the form below. Memberships span a period of 6 months and will allow you to collect a variety of food for a low price. Our aim is to help eliminate food waste and as such the goods we acquire may vary each week. We ask that you attend consistently during your membership period to help us cover the cost of the delivery. We reserve the right to remove you as an active member in the case that you do not attend over a 3-week period to ensure that our food is not wasted (subject to individual circumstances). The pantry is open every Tuesday between 2:30pm and 4:30pm.
